KOMATSU[®]

GENUINESUPPORT
UNDERCARRIAGE
ASSURANCE

Komatsu Genuine Undercarriage Assurance

Your Komatsu Genuine Undercarriage is designed and engineered by Komatsu, manufactured by Komatsu, and backed by Komatsu.

SMS Equipment is proud to show our commitment to you by offering the longest Assurance coverage in the industry — providing support for the quality parts that are built specifically for your machine.

What Komatsu Genuine undercarriage products qualify?

All Komatsu Genuine Undercarriage products qualify for the Undercarriage Assurance Program, including but not limited to:

- Parallel Link Undercarriage System (PLUS)
- General Construction (GC)
- Grease Sealed Track (GST)
- Conventional Sealed and Lubricated
- Dual Bushing

Renewable Terms

For any claim where the parts cost is not covered 100%, Komatsu Genuine Undercarriage Assurance terms start over for the complete undercarriage or component sets that have been replaced.

Program Start Date

Any replacement Genuine Undercarriage installed after July 1, 2016 qualifies. Additionally, any new machine purchased with a first-fit undercarriage after July 1, 2016 qualifies.

Periodic Undercarriage Inspections

Regularly scheduled undercarriage inspections can help plan for service and repair decisions. Inspections can be completed wherever it's convenient and will help keep your cost of ownership low. An undercarriage inspection will provide you with a report showing component % of wear, projected life, and a snapshot of the overall condition of your Komatsu machine's undercarriage.
